

Share an Experience | Participate in an Art event | Reflect on the River

Participants Needed

This study will investigate the relationship between art, storytelling, the health of our rivers and your overall well-being.

May 10th 12-3pm
The Wild Center
Tupper Lake, NY

You will be asked to:

- Share a story about the river
- Participate in a facilitated movement experience
- Answer survey questions

Participation in the study will take less than 3 hours

Participants will receive a \$50 Visa gift card

Must be 18+ to participate.
