

TOPO! map printed on 11/19/14 from ".tpo"

This figure is a detailed topographic map of the Adirondack Park area, specifically focusing on the Five Ponds region. The map includes several trail systems: Curtis Pond Trail, Christmas Tree Loop Forest, Peanay Swamp Trail, Five Ponds Trail, Cowhorn Junction Trail, Cat Mt. Trail, and Totten-Crossfield Trail. It also shows major roads like NY 86, NY 3, and NY 67. The map is annotated with numerous place names, including Cranberry Lake, Curtis Pond, Cowhorn Pond, High Falls No. 1, High Falls No. 2, Big Shallow, Little Shallow, Wolf Pond, and various lakes and ponds such as Star Pond, Spruce Pond, and Cagé Lake. Elevation contours are shown in feet, with many peaks exceeding 2,000 feet. The map is framed by county boundaries for St. Lawrence and Herkimer counties. A green border labeled "PARK" indicates the Adirondack Park boundary. The map is oriented with North at the top.
